## **DETAILED ACTION**

1. Claims 1-20 are presented for examination.

## Reissue Applications

- 2. The original patent, or a statement as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.
- 3. Claims 1-20 are rejected under 35 U.S.C. 251 as being broadened in a reissue application filed outside the two year statutory period. As to claim 16, the limitation as "if a predetermined condition regarding said acknowledgement message from said plurality of second endpoints is satisfied" as claimed therein is broader than if at least two of said plurality of second endpoints do not transmit said acknowledgement messages containing a positive acknowledgement". Further claims 17-20 omitted acknowledgement feather entirely. The claims are broader in scope than the original claims if it contains within its scope any conceivable product or process which would have infringed the original patent. A claim is broadened if it is broader in any one respect even though it may be narrower in other respects.
